

Letter from Santa Claus

North Pole 2025

Dear Amanda,

*You're eight years old now, a big girl in Athens, Greece!
I've heard about your love for playing tennis. It's a wonderful sport that requires skill and determination, just like building a Lego set, which I hear is what you're hoping to find under the Christmas tree this year.*

I'm so proud of you for helping at home. It's a big responsibility and shows how caring and mature you're becoming. Remember, every act of kindness, no matter how small, is like a star that lights up the night sky.

I'll make sure Rudolph and the other reindeer fly swiftly over the Mediterranean Sea to deliver your gift. Keep being the wonderful girl you are, Amanda. May your Christmas be filled with joy, love, and a little bit of magic.

*With love,
Santa Claus*
