

Letter from Santa Claus

North Pole 2025

Dear Elena,

You're thirteen years old now, a wonderful age, full of dreams and adventures. I've heard all the way from the North Pole about your love for riding your BMX bike in beautiful Athens, Greece. It's a joy to see such passion!

I'm also very proud of how you share and collaborate with others. It's a great achievement, and it makes the world a brighter place. Remember, the magic of Christmas is not just in the gifts we receive, but also in the kindness we share.

I've taken note of your wish for a Lego set. I'll do my best to make your Christmas morning special. Keep being the amazing person you are, Elena. Merry Christmas!

With love,
Santa Claus
