

Letter from Santa Claus

North Pole 2025

Dear Mario,

You're now ten years old, a big boy in Rome, Italy. I've heard about your love for football, how it lights up your eyes and fills your heart with joy. It's wonderful to see such passion in a young heart.

I've also noticed your good behavior, how you share and cooperate with others. It's a beautiful gift, Mario, one that makes the world a brighter place. I'm so proud of you, and I know your family is too.

Now, about your Christmas wish. I understand you're hoping for a Lego set. Well, I'll see what I can do. Remember, the magic of Christmas isn't just in the gifts we receive, but in the love we share. Keep shining, Mario, and have a magical Christmas!

*With love,
Santa Claus*
