

Letter from Santa Claus

North Pole 2025

Dear Bill,

I trust this letter finds you in good health in the splendid city of Athens, Greece. I've been observing you from the North Pole and I've noticed that you've turned seven years old. Time does fly, doesn't it?

I've learned that you enjoy playing football with your friends. That's fantastic! Engaging in sports not only keeps you healthy, but also imparts lessons about teamwork and sportsmanship. I've also observed that you've been sharing and cooperating effectively. That's a significant accomplishment, Bill!

Now, regarding your Christmas wish. I understand that you desire new football shoes. Well, I'll see what I can arrange. Remember, the magic of Christmas is not in the presents, but in the love and happiness we share with our dear ones.

Merry Christmas,

Santa Claus
